

# ATPE BOOK of the month CLUB

**Candor** by Pam Bachorz

(Grades 9–12)

*(Summary taken from book jacket)*

The town of Candor, Florida is perfect. Teens respect their elders, do their chores, and enjoy homework. But being a Candor resident comes with a steep price tag: succumbing to subliminal messages that control every action.

Oscar Banks, son of the town’s founder, is the perfect Candor teen: class president and top student. But it’s all a cover. He knows Candor’s secret, and how to get select kids out—for a price.

But when Nia moves to town, Oscar is smitten by her and her ability to see through his disguise. He can’t stand to see her changed by the Messages. Now he must decide: help Nia escape from Candor and risk losing her forever, or keep her close and risk exposure.
